I have just been informed by the clerk that the [REDACTED] case will not be reached and we will be given a new date. Although it is not official as of yet, I wanted to let you know so you could plan out your calendar. Once I officially get the new date, I will pass on word. Tx.

I received the summons, but I did not see the drug lab number(s) listed on it. Would you kindly provide that information so I can review the case? As of now, I do not have any other cases scheduled for that day, though I do have a Superior court case in Springfield going on the short trial list this Friday, though the ADA thinks that it "will not likely begin until another day (could be three to ten days later)." I'm not sure if you think I will actually be needed on the first day, but I also thought that I'd let you know that I have a district case scheduled in Attleboro on 9/26 and two in Springfield on 9/27 (both fairly recent cases, so probably not going to be called, but you never know). Thanks.
